### BETWEEN

- (1) **Hong Kong Internet Registration Corporation Limited**, a company duly organised and existing under the laws of Hong Kong and having its registered office at Unit 501, Level 5, Core C, Cyberport 3, 100 Cyberport Road, Hong Kong ("**HKIRC**"); AND
- (2) **InterNetX GmbH**, a company incorporated and subsisting under the laws of **Germany**, and having its registered office at **Johanna-Dachs-Str. 55, 93055 Regensburg** (the "**Registrar**").  
(referred to together as the "**Parties**", and individually as a "**Party**").

### BACKGROUND

- A. HKIRC is responsible for the administration of Internet domain names under the '.hk' and '.香港' ccTLDs. It is also defined under the Prevention of Bribery Ordinance ("POBO") as a public body.
- B. The Registrar wishes to be accredited by HKIRC as a registrar and to provide the Registrar Services for the Designated Domain Name Categories.

### IT IS AGREED:-

#### 1 TERM

- 1.1 This Agreement will commence on the Commencement Date and will remain in force until terminated by either Party in accordance with the provisions of clause 18.

#### 2 REGISTRAR ACCREDITATION

- 2.1 Subject to the terms and conditions herein and the Registrar fulfilling the Accreditation Criteria, HKIRC agrees to issue an Accreditation Certificate to the Registrar and accredit, on a non-exclusive basis, the Registrar as a registrar for the Designated Domain Name Categories.
- 2.2 Upon becoming HKIRC-Accredited, the Registrar:
  - (a) shall perform the Registrar Services in accordance with this Agreement and the Related Documents;
  - (b) may access the dedicated registration platform of HKIRC for the sole purpose of performing the Registrar Services; and
  - (c) may hold itself out as a HKIRC-Accredited registrar offering Registrar Services.
- 2.3 The Registrar shall, within three (3) months of the earlier of the Commencement Date or date on which the Registrar becomes HKIRC-Accredited, or else on such other date as the Parties shall agree in writing, commence offering Registrar Services to members of the

public. The Registrar shall ensure that its systems and setup are ready and fully operational for this purpose.

2.4 Subject to becoming HKIRC-Accredited under clause 2.1, the Registrar acknowledges and agrees that:

- (a) HKIRC may post on its web site the Registrar's name and contact information, together with a link to the Registrar's web site. HKIRC may also include as part of relevant WHOIS search results the names of the Registrar and the Reseller and their contact information.
- (b) The Registrar hereby grants to HKIRC a non-exclusive, non-transferable and revocable licence to use the Registrar's name and trade or service mark for the purpose of advertising, marketing, promoting and publicising the accreditation of the Registrar and/or the Registrar Services provided by the Registrar. The Registrar agrees to execute, upon the reasonable request of HKIRC, any documents, licences or forms or do any act necessary to ensure that HKIRC can exercise the rights granted to it by the Registrar under this clause 2.4(b).
- (c) HKIRC may publicly disclose any information relating to:
  - (i) its cooperation with the Registrar under this Agreement and the Related Documents; and
  - (ii) the performance by the Registrar of its obligations pursuant to this Agreement and the Related Documents, including, without limitation, information relating to customer complaints and service standards.

2.5 The Registrar must, as soon as practicable, notify HKIRC if the Registrar becomes aware:

- (a) that the Registrar has failed to meet any of the Accreditation Criteria; or
- (b) of any circumstance, fact or thing that affects or is likely to affect the Registrar's ability to continue to meet the Accreditation Criteria.

2.6 The Registrar's fulfilment of the Accreditation Criteria shall be a continuing obligation under this Agreement and the Related Documents. If the Registrar fails to meet any of the Accreditation Criteria, HKIRC shall have no obligation to perform its obligations under this Agreement and the Related Documents. The Registrar shall, at the request of HKIRC, provide evidence to satisfy HKIRC that it is in compliance with the Accreditation Criteria.

2.7 HKIRC may, in its sole and absolute discretion and by notice in writing to the Registrar:

- (a) waive or suspend, in whole or in part, any or all of the Accreditation Criteria;
- (b) waive or suspend, in whole or in part, any or all of the prevailing procedures and requirements set forth in this Agreement and/or the Related Documents relating to the accreditation of registrars; and/or
- (c) impose any condition on any waiver or suspension granted, as it sees fit.

2.8 All costs, fees and expenses associated with the Registrar's performance of the Registrar Services and its obligations under this Agreement shall be borne in full by the Registrar alone.

### **3 REGISTRAR'S OBLIGATIONS**

- 3.1 The Registrar shall at all times during the Term of this Agreement perform the Registrar Services for the Designated Domain Name Categories in accordance with this Agreement and the Related Documents.
- 3.2 The Registrar shall verify all documents submitted in relation to the Registrar Services, and shall keep and maintain all such documents after review. HKIRC may, from time to time and in its sole and absolute discretion, require the Registrar to provide to HKIRC any such documents for HKIRC's review.
- 3.3 The Registrar shall continue to meet all the technical and operational requirements set forth in Schedule 2. The Registrar shall also comply with any applicable legislative provisions regulating such technical and operational requirements.
- 3.4 The Registrar shall forthwith implement any order or judgment relating to any Domain Name issued by a court or tribunal of competent jurisdiction in Hong Kong, or any decision of an arbitration panel established in accordance with the DNDRP.

### **Regulation of the use of Domain Names**

- 3.5 The Registrar shall monitor the Domain Names registered through the Registrar and shall, at its own initiative or on receipt of any complaint or as directed by HKIRC:
  - (a) investigate and verify whether the relevant Domain Name is being used for phishing or "spam" advertising;
  - (b) delete or suspend the relevant Domain Name upon HKIRC's written request on the basis that, in HKIRC's reasonable belief, the continuation of registration of the Domain Name and the operation of web site referenced by the Domain Name is likely to damage, adversely affect or prejudice the goodwill, reputation and operation of HKIRC or the internet registration industry in Hong Kong, or may expose HKIRC to risks of third party claims or civil or criminal prosecution; and
  - (c) delete or suspend the relevant Domain Name on receipt of any notice from any regulatory or law enforcement authority in Hong Kong (including, without limitation, the Hong Kong Police Force and the Office of Telecommunications Authority) that the web site referenced by the Domain Name is in breach of any laws, directives, guidelines, codes of practice or regulations issued by local authorities in Hong Kong or is used for or in connection with illegal activities.
- 3.6 HKIRC shall also have the power to suspend or delete any Domain Name that falls into the category set out in clause 3.5. The Registrar shall, at the request of HKIRC, provide HKIRC with evidence of such use, together with all relevant information in connection with the Domain Name for the purpose of investigation, prevention and enforcement.
- 3.7 Where the Registrar, as a result of its investigations under clause 3.5(a), identifies any Domain Name that it believes is being used in connection with phishing or "spam" advertising, the Registrar shall suspend the Domain Name and shall immediately provide HKIRC with the evidence of such use, together with all relevant information in connection with the Domain Name for the purpose of investigation, prevention and enforcement.

- 3.8 The Registrar shall indemnify and hold HKIRC harmless from all liabilities, losses, and damages arising out of and in connection with any investigation or enforcement action taken pursuant to clauses 3.5, 3.6 and 3.7.
- 3.9 Where the Registrar receives a notice from any regulatory or law enforcement authority in Hong Kong pursuant to clause 3.5(c), the Registrar shall provide HKIRC with a copy of such notice.
- 3.10 The Registrar shall use its best endeavours to ensure that Domain Names are not registered for use in connection with phishing or "spam" advertising. Best endeavours in this regard includes, but is not limited to, only accepting verified and secured credit cards for any payments made in connection with Registrar Services. HKIRC may at any time require the Registrar to apply specific procedures and/or processes for verification and payment before accepting Domain Name applications. Where the Domain Name registration is terminated due to such malicious use or suspected malicious use, HKIRC will not refund any Fess paid in relation to the Domain Name.

### **Service to Registrants**

3.11 The Registrar shall:

- (a) offer the Registrar Services to all Registrants without requiring that the Registrants must also purchase or subscribe for any other goods or services offered by the Registrar or any third party;
- (b) only register a Domain Name on behalf of a prospective Registrant of that Domain Name, and only perform any Registrar Services on behalf of a Registrant where the Registrar is the registrar on record for the relevant Domain Name, or where the Registrar has been so requested by the relevant Registrant or the relevant Registrant's agent;
- (c) be solely responsible for providing the Registrar Services, and billing, technical and administrative support for handling transaction requests from Registrants, and ensure that its services meet all quality standard and other specification as may be stipulated by HKIRC from time to time;
- (d) perform the Registrar Services promptly and at all times cooperate with HKIRC, Registrants and other registrars;
- (e) at all times accurately represent to the general public the Registration Agreement and Published Policies, the HKIRC's status as the registry of Domain Names, and the relationship between the Registrar and HKIRC;
- (f) promptly investigate any and all Registrant inquiries and complaints relating to Domain Names and any Registrar Services, and immediately notify HKIRC if any Registrant requests the assistance of HKIRC with any such inquiry or complaint, and in such case the Registrar agrees to fully cooperate with HKIRC;
- (g) ensure that the most updated versions of the following documents be made easily accessible through its web site to members of the public as soon as practicable after they have been issued:

- (i) the Registration Agreement;
- (ii) the Registration Policies;
- (iii) the Acceptable Use Policy;
- (iv) the DNDRP;
- (v) the Code of Practice; and
- (vi) the Published Policies.

- 3.12 HKIRC may review and modify the Performance Objectives for registrars from time to time. The Registrar shall meet the Performance Objectives within the time prescribed by HKIRC.
- 3.13 The Registrar shall make all reasonable efforts to resolve any claims or complaints made by members of the public, Registrants or registrants of other registrars in relation to the Registrar Services. Registrar shall notify Registrants of their right to contact HKIRC (website: [www.hkirc.hk](http://www.hkirc.hk), email: [info@hkirc.hk](mailto:info@hkirc.hk)) for dispute or complaint to the Registrar.
- 3.14 In some cases, HKIRC may request, and the Registrar shall provide, any document relating to an application for Domain Name Services. The Registrar shall provide the requested document before approving the provision of the relevant Domain Name Services.
- 3.15 The Registrar shall use its best endeavours to assist HKIRC in complying with the MOU and the Designation Agreement. This includes, but is not limited to, providing complaint reports and data, indicating the frequency and details of complaints, reasons for refusing a Domain Name Application, and reasons for suspending or cancelling a Domain Name.
- 3.16 The Registrar shall provide HKIRC with the name of any Reseller used for every Domain Name Application, and shall inform HKIRC as soon as practicable of any changes to the identity of any Reseller used.
- 3.17 The Registrar shall not engage in or authorise any activity which may:

  - (b) interfere with HKIRC's operations;
  - (c) expose HKIRC to any liability or claim, including, without limitation, the commission of any act or omission which may be defamatory, constitute unlawful discrimination or infringe any Intellectual Property Rights; or
  - (d) be in contravention of the Applicable Data Protection Law.

- 3.18 Nothing in this clause 3 limits or otherwise affects the Registrar's obligations as provided elsewhere in this Agreement.

#### **4 REGISTRAR'S WARRANTIES**

4.1 The Registrar represents and warrants to HKIRC that all information and documentation which it has furnished, or will furnish, to HKIRC in connection with this Agreement is true, accurate and not misleading (whether by omission or otherwise) in all material respects and, to the Registrar's best information and knowledge, sufficient, accurate and complete. The Registrar agrees and undertakes to promptly inform HKIRC in writing of any change or circumstances which may result in the Registrar being in breach of the aforesaid warranties.

4.2 The Registrar represents and warrants that:

- (a) it has, and will at all times during the Term of this Agreement have, full power and authority to execute, deliver and perform its obligations under this Agreement and the Related Documents and that, if the Registrar is a corporate entity, it is valid and subsisting under the laws of the applicable jurisdiction in which it is incorporated;
- (b) the execution, delivery and performance by it of this Agreement and the performance of its obligations under this Agreement have been and will at all times during the term of this Agreement be duly authorised, and do not contravene or conflict with:
  - (i) its memorandum and articles of association or other constitutional documents of a similar nature;
  - (ii) any existing law, statute, rule, regulation, guideline, judgment, approval or permit to which it is subject;
  - (iii) the terms of any agreement or other document to which it is a party or which is binding upon it.
- (c) there is no requirement for any consent from, approval of, or notice to any governmental authority or other person in connection with the execution and performance of this Agreement and the Related Documents, or, if any such consent, approval, or notice is required, that it has duly and fully complied with and obtained the same prior to execution of this Agreement, and such consent, approval, or notice shall be valid during the Term of this Agreement.
- (d) the Registrar has and will at all times during the Term of this Agreement have all relevant capacity, expertise, technology and infrastructure to perform the Registrar Services, including without limitation, to:
  - (i) process and maintain applications for Domain Names;
  - (ii) provide and maintain systems which meet the requirements prescribed by HKIRC from time to time and in compliance with the Applicable Data Protection Law in relation to the confidentiality and security of Registrant Data;
  - (iii) provide and maintain a reliable data transfer system; and

- (iv) provide and maintain archival, backup and disaster recovery systems and databases at all times.

## **5 USE OF HKIRC NAME AND LOGO**

- 5.1 Provided that the Registrar is not in breach of any of its obligations under this Agreement, HKIRC grants to the Registrar a non-exclusive, non-transferable, non-assignable, non-sub-licensable, revocable, worldwide, royalty-free licence to:
  - (a) state that it is accredited by HKIRC as a registrar for the Designated Domain Name Categories for the Term of this Agreement;
  - (b) use the Web Registrar Logo and all underlying Intellectual Property Rights thereto to indicate that the Registrar is accredited by HKIRC as a registrar for the Designated Domain Name Categories for the Term of this Agreement; and
  - (c) provide hyperlinks on the Registrar's official web site to pages and documents on the HKIRC web site, provided they are not framed by any other materials and are solely for the purpose of the advertising, promoting and providing the Registrar Services in accordance with this Agreement.
- 5.2 Other than in accordance with clause 5.1, the Registrar is not permitted to use the Web Registrar Logo, name or trademark of HKIRC for any other purpose or in any other manner unless with the prior written consent of HKIRC.
- 5.3 The Registrar shall not alter, copy, modify or otherwise change the Web Registrar Logo in any way. The Registrar shall not use the Web Registrar Logo in any way that is likely to disparage, prejudice or otherwise undermine the public image of HKIRC.
- 5.4 Save as expressly provided in this clause 5, all rights, title and interest in and to the Web Registrar Logo and all related materials, together with the Registry Server and systems information which HKIRC may permit Registrar to use or access, shall remain vested in HKIRC and/or its licensors, as the case may be. Any use by the Registrar and any benefit (including any goodwill) shall accrue to the sole benefit of HKIRC.

## **6 FEES**

- 6.1 The Registrar shall pay all Fees to HKIRC in the manner set forth in Schedule 4. HKIRC may impose new types of Fees in its Published Policies from time to time and at its sole and absolute discretion. If no written objection is raised by the Registrar within fourteen (14) days after notice is given by HKIRC to the Registrar, such new type of Fees shall become part of the Fees under this Agreement upon the expiry of such fourteen (14) days and shall be payable by the Registrar in accordance with the terms of this Agreement.
- 6.2 All Fees shall be paid in Hong Kong Dollars and shall be paid to HKIRC in the manner specified by HKIRC. Notwithstanding the establishment of the Registrar Account as set out in clause 6.4, HKIRC may specify alternative or additional modes of payment.
- 6.3 All enquiries or disputes concerning any invoice must be notified to HKIRC, along with any supporting documentation, on or before the payment due date. Nothing in this clause shall relieve the Registrar of its obligation to pay HKIRC the undisputed portion of any invoice on

or before the due date. The parties shall work together in good faith to resolve any bona fide invoice enquiry or dispute notified to HKIRC in accordance with this clause.

- 6.4 The Registrar shall at all times maintain an account with HKIRC (the "**Registrar Account**") with a minimum balance ("**Minimum Balance**") as prescribed by HKIRC from time to time. This Minimum Balance will be reviewed every year by HKIRC. The Registrar shall maintain the required amount on account with HKIRC in order to remain HKIRC-Accredited. HKIRC shall have the right to offset this amount against any monies owing from the Registrar to HKIRC. If at any time the balance held in the Registrar Account with the HKIRC falls below the Minimum Balance prescribed by HKIRC, the Registrar shall within five (5) days thereof deposit such sums as shall be necessary to bring the Registrar Account balance up to the Minimum Balance prescribed by HKIRC.
- 6.5 All Fees payable are unless otherwise stated exclusive of bank charges and taxes of any nature. If the Registrar is required under any law, regulation or other government order to deduct or withhold any sum for the purposes of taxes, levies, duties or any other fee imposed on any amount payable to HKIRC under this Agreement and the Related Documents, the amount payable to HKIRC must be increased by such amount necessary to ensure that HKIRC will receive a net amount equal to the amount which HKIRC would have received without such deduction or withholding.
- 6.6 The Registrar agrees that HKIRC shall be entitled, at its sole and absolute discretion, to publicly disclose the Fees charged by HKIRC to the Registrar in connection with any Registrar Services and/or this Agreement.
- 6.7 If a Domain Name is not renewed one (1) month after the expiry date of the Domain Name registration (or such other period as specified by HKIRC from time to time), the Domain Name may be deleted. HKIRC may also at any time renew a Domain Name registration that is due to expire, and may automatically debit any applicable renewal fee from the Registrar Account in HKIRC. Within a period of time as specified by HKIRC and notified to the Registrar in writing, the Registrar shall notify HKIRC of any Domain Name registration which the Registrar does not intend to renew. Upon such notification, HKIRC shall cancel the renewed registration and refund the deducted charges to the Registrar Account. Nothing in this clause 6.7 affects HKIRC's right to charge a reinstatement fee in the event that the Registrar subsequently notifies HKIRC of its intention to renew the relevant Domain Name registration.
- 6.8 Subject to clause 6.7, HKIRC shall not refund any Fees paid by the Registrar, including but not limited to, the registration fee, renewal fee or other service or other applicable fee for Domain Name Services.

## **7 REGISTRAR SERVICES**

- 7.1 In processing a Domain Name Application, the Registrar shall ensure that the Domain Name Application complies with the Registration Agreement and Published Policies and shall use reasonable endeavours to verify the information provided to the Registrar in the Domain Name Application.
- 7.2 The Registrar shall only approve an application for Domain Name Services if the Registrar is satisfied that the application complies with this Agreement and the Related Documents. Where an application is rejected, the Registrar shall promptly notify the Registrant of such rejection and provide the Registrant with written reasons for such rejection.

- 7.3 The Registrar shall, in relation to each approved Domain Name Application:

- 7.4 The Registrar acknowledges that even if the Registrar has approved a Domain Name Application or other Domain Name related service requests, HKIRC retains the right to perform further checks on a Domain Name Application or other Domain Name related service requests, and reserves the right to reject the same or cancel a Domain Name registration.
- 7.5 The Registrar shall, as soon as practicable after approving a Domain Name Application, issue a notice of registration to the Registrant, together with confirmation that the Registrant Data has been placed in the Registry Server.
- 7.6 The Registrar may assist the Registrant to register and renew the Domain Name for the maximum number of years allowed by HKIRC.
- 7.7 The Registrar may decide on the retail price for Domain Name Services, subject to any range or specific retail price set by HKIRC. In the event that HKIRC specifies any such retail price, any such specification shall be binding and effective on the Registrar fourteen (14) days after HKIRC gives written notice to the Registrar of such specification.

## **8 REGISTRATION AGREEMENTS**

- 8.1 The Registrar shall make it a precondition to the Registrar's acceptance of a Domain Name Application that any registration or renewal of a Domain Name arising out of such Domain Name Application shall be subject to the terms and conditions set out in the Registration Agreement. The Registrant shall procure as far as possible that the Registrant complies with the terms of the Registration Agreement during the term of the Domain Name registration. In cases of material breach or non-compliance, the Registrar shall take all steps to enforce the terms of the Registration Agreement against the Registrant in default.
- 8.2 No Registration Agreements shall contain any term that is inconsistent with, or in any way modifies, overrides, limits, contradicts or cancels the terms and conditions of this Agreement or the Related Documents, and shall in any event contain the mandatory provisions set out in Schedule 5.
- 8.3 The Registrar shall, on receipt of any notice from HKIRC, inform its Registrants by e-mail about any changes or additions to the Registrar Agreement, Published Policies or Code of Practice or any changes which may affect the rights of the Registrar and/or Registrants.
- 8.4 Upon the request of HKIRC, the Registrar agrees to act as agent for HKIRC, for the sole purpose and only to the extent necessary to enable HKIRC to receive the benefit of rights and covenants conferred to HKIRC under the Registration Agreement.

## **9 REGISTRANT DATA**

- 9.1 The Registrar shall:

- (a) promptly submit, via any accepted platforms agreed with and connecting to HKIRC, the Registrant Data relating to the provision of Domain Name Services.
- (b) immediately after receiving any updated Registrant Data, submit the updated Registrant Data to HKIRC, or place the updated Registrant Data in the Registry Server as appropriate.

9.2 The Registrar shall notify the Registrant and seek consent (where necessary) from the Registrant for HKIRC to receive and use Registrant Data, including for the purpose of administering domain names and the provision or publication of Registrant Data to third parties who have legitimate interests. The Registrar shall not use the Registrant Data held in relation to a Registrant or other person other than in accordance with this Agreement, the Related Documents and all applicable law or as the Registrant has specifically consented to.

- (c) record all details relating to its processing of Registrant Data including the use and transfer (if applicable) of Registrant Data and data security measures implemented in compliance with the Applicable Data Protection Law;
- (d) comply with the directions of HKIRC from time to time in relation to the retention and erasure of Registrant Data;
- (e) disclose to HKIRC all necessary information for the purpose of complying with the Applicable Data Protection Law; and
- (f) restrict its employees, agents or contractors (including Resellers) access to Registrant Data on a need to know basis solely for the provision of the Registrar Services and performance of the Registration Agreement.

9.4 Without prejudice to the foregoing, the Registrar, whether directly or indirectly, and whether on its own behalf or in conjunction with or through any person or as principal, agent, consultant, contractor, investor or shareholder or in any other manner whatsoever, undertakes not to at any time grant access to, sell or offer to sell or transfer any Registrant Data to any person, or engage in bulk access to, warehousing or accumulation of, or speculation in Registrant Data, other than in order to comply with its obligations under this Agreement, the Related Documents, or any applicable legislation. The Registrar shall ensure that all such personnel entrusted with Registrant Data have undertaken to ensure secrecy and protection of such data in accordance with this Agreement, the Personal Data (Privacy) Ordinance, and other applicable laws.

9.5 Both Parties acknowledge and agree that neither Party is entitled to claim any Intellectual Property Rights in the Registrant Data, and that Registrant Data is not proprietary information, but is held by HKIRC for the benefit of the members of public in HKSAR.

## **10 TRANSFER OR CHANGE OF REGISTRAR**
